Tony Segale

Tony has been a full time professional artist since 1989. His commercial work includes logo design, hand lettered signs, reverse glass gold leaf, pictorials and large murals, and has received several commercial design awards. His murals and gold leaf can be seen throughout the Lodi area.

Tony began painting watercolor in 1998, creating color studies for projects. Willing to sing is own song, his fine art designs express his own images of what ought to be. He has been accepted into international, state and local exhibitions and has earned numerous fine art awards.

Considering himself a perpetual student of art, Tony envisions creating a world apart from photo realism into the realm of his imagination. He shares his skills and freedom with other students of the arts who participate in his workshops. If you plan to attend Tony's demo please bring your watercolor paints and brushes along with some watercolor paper if you wish to participate in this demo/workshop. You may also just wish to watch the demo and not paint. Everyone is welcome.

President's Message

Unfortunately, I must begin this letter with an apology. Last month as the Board was discussing the upcoming general membership meeting, we discovered that the bylaws called for the bi-annual meeting to be the second Monday in June; not July! That being said, I hope you will forgive the error.

In place of the June meeting, the Board has decided to hold the general meeting after demo artist Tony Segale's watercolor class finishes at 5p.m. We believe this will be convenient for those of you who are attending the demonstration and for those who may be coming from work. **Please mark your calendars.**

I would also like to bring up the fact that we currently have several openings on the Board of Directors. As you know, an organization can only be as strong as its leadership. While we have a very strong and exceptionally dedicated board, we certainly want to welcome others who would like to rise their voice. If you are interested in being on the board, please feel free to contact me at 209-609-8894 or: sreeneekoon@gmail.com. Make your voice count!

This month also brings the opening of our bi-yearly Haggin Juried Art Show. Again, please mark your calendars for the July 7th reception honoring these artists and their work. The exhibit will hang at The Haggin Museum through September 11th.

Lastly, check out our Artists of the Month! We are delighted to present the work of our YAP students and their instructors. In keeping with our monthly second Saturday reception, please come and enjoy the work of these young artists and enjoy the camaraderie of each other on July 9th. We hope to see you there.

Your President, Renee Koon

The next Board of Directors meeting will be on July 6, at 10 am. SAL members are urged to attend and to voice your opinions.
