Dates to Remember

May 14: Artist of the Month Reception 4-7pm

Ronald Houck

Ronald Houck was born in Salem, Oregon, but grew up in the greater San Francisco Bay Area of California. Ronald received an MFA in Figurative Painting from the Academy of Art University San Francisco in 2010 and a BA in Studio Art from California State University Sacramento in 2006, with Magna Cum Laude honors.

He is best known for his expressive and figurative oil paintings that capture the mood, emotion and spirit of people in a variety of environments. Blending traditional and contemporary painting techniques, the artist compels viewers to uncover the mysteries and narratives within his work.

Ronald has been privileged to work with several nationally and internationally renowned artists throughout his education, such as Craig Nelson, Warren Chang, Tae Park, Dean Larson, Zackary Zdrale, and Baoping Chen.

Ronald has done commissioned portraits for prominent patrons in Central California and is beginning to achieve national recognition as an artist through his award winning work displayed at the Haggin Museum in Stockton, CA in 2010 and through gallery exposure and exhibitions. Ronald is currently teaching as an adjunct art professor for Cosumnes River College in Elk Grove, CA and for San Joaquin Delta College in Stockton, CA. He also recently taught for three years at the Art Institute of CA, in Sacramento and Sunnyvale; where he taught beginning and intermediate drawing, painting, design and color theory, life drawing and gesture. He currently resides in Pine Grove, CA

David Peterson

David Peterson, a nationally recognized watercolor artist, portrays the familiar scenes of our neighborhood in a humorous and enigmatic way. He shows you California landmarks, including urban scenes, differently, simply and in a unique manner. He has been accepted in the California State Fair Fine Arts Exhibit for the past three years and is honored to have been a Yosemite Art Center visiting artist since 2012. David is a past president of WASH, Inc., Sacramento's watercolor club and has been awarded NCA Master Painter Signature status. He is event coordinator at Sacramento Fine Arts Center in Carmichael and his work can be seen there. He has recently exhibited at the Ella McClatchy Library, and currently exhibits at Danielles in Arden Arcade and Rancho Cordova City Hall.

President's Message

The jury is out and the entries are rolling in for the Stockton Art League's bi-yearly Haggin Museum Juried Art Show. At the present time, we have registered 37 artists from around the country showing 78 paintings. In addition, we are celebrating the work of 5 sculptors and 16 sculptures. The show promises to be the best ever, and as we know from experience every show does prove to be more outstanding than the one before it. Remember that we have a special fund raising drive to support this program. SAL awards over \$5,000 to winning artists in this National Exhibit. Please consider a kind donation to this program, any amount helps.

This month, we are very excited to announce that we have received a grant to support our all new children's program. Called YAP (Youth Art Program, but YAP sounds more fun), the series of art classes is for children between the ages of 5 and 13. The classes will be held on Mondays at the Elsie May Goodwin Gallery during the month of June. Please look further into the *Collagraph* for specific information. I would like to give a special shout out to Mary Little and her team for taking this program from an idea to making it a reality.

Again, I want to remind all of our members not to forget our artists of the month. May will feature local artist and educator Ronald Houck, who in true educational spirit is also inviting some of his students to hang their work beside his in the show. As usual, the reception will be held on the second Saturday of the month, May 14th from 4:00 p.m. to 7:00 p.m.

Your President, **Renee Koon**

The next Board of Directors meeting will be on Wednesday, May 4, 2016 at 10am. Members are welcome to attend all board meetings and to express opinions and offer ideas.
